

## E-safety agreement for use with young people Years 5-6 / Grade 4-5

**Branch:**       Mushrif       City Centre       Khalidiyah       Al Falah       Khalifa City

ICS understands the importance of emerging technologies for children’s education and personal development and seeks to support children and young people in making use of these in our work. However, we also recognise that protection needs to be in place to ensure children are kept safe at all times.

**Note to young people, parents and carers:** This agreement is part of our code of behaviour for children and young people. It also fits with our overarching e-safety policy and the expectations we have of our staff and volunteers in terms of their use of communications technologies such as the Internet and mobile phones. If you would like to know more about this, please speak to our e-safety coordinator.

**Young person:** Please read the following agreement and discuss with your parents/guardian. If there is anything you do not understand, please also discuss with your teacher.

**Parents/guardian:** Please read and discuss this agreement with your child, and then sign it, ask your child to sign it and return to the class teacher.
